A.R. Burns

Money and Monetary Policy in Early Times (The History of Civilization) A.R. Burns

Originally published between 1920-70, *The History of Civilization* was a landmark in early twentieth century publishing. It was published at a formative time within the social sciences, and during a period of decisive historical discovery. The aim of the general editor, C.K. Ogden, was to summarize the most up to date findings and theories of historians, anthropologists, archaeologists and sociologists. This reprinted material is available as a set or in the following groupings:
