## **Racconti (Maree) (Italian Edition)** Italo Svevo

I Racconti di Italo Svevo costituiscono un importante momento della produzione artistica dello scrittore. Pubblicati postumi, anche se prodotti lungo tutto l'arco della sua vita, i Racconti ci aprono a nuove e importanti riflessioni sull'opera narrativa di Svevo. Alcuni racconti sono pensati come complementari ai romanzi pubblicati; un altro - Le confessioni di un vegliardo - doveva essere il suo quarto romanzo; alcuni sono rimasti incompiuti dando il senso di un continuo procedere della scrittura narrativa. Anche in queste opere ritroviamo la caratteristica centrale della poetica di Svevo: un contrasto tra ciò che è razionale e ciò che è ideale. La letteratura è concepita come recupero e salvaguardia della vita e l'esistenza vissuta viene sottratta al flusso oggettivo del tempo. Soltanto narrando l'esistenza sarà possibile evitare la perdita dei momenti importanti della vita e rivivere nella parola letteraria l'esperienza vitale del passato, i desideri e le pulsioni che nella realtà sono spesso repressi e soffocati. I Racconti contengono una grande attualità, ci fanno comprendere meglio la poetica dell'autore, ci regalano piccoli gioielli forse un po' troppo velocemente dimenticati.
