Rule of the SSJE The Society of Saint John the Evangelist

Christians of all denominations are looking today to the ancient discipline of a rule of life to strengthen their sense of living in Christ and participating in a wider community. For the first time the brothers of the Society of Saint John the Evangelist are making their rule—completely rewritten and revised—available to the church at large.

The book is composed of 49 short chapters that develop classical monastic themes of hospitality, poverty, celibacy, and obedience, exploring what these might mean to men and women living at the end of the millennium. And because this is a modern rule, it provides guidance and reflection in less traditional areas, too—leadership, conflict, the use and abuse of authority, work, the need for rest and silence, vocation, and fellowship with the poor. Therefore it has much to teach Christians in other kinds of communities, including the family, the parish, and the workplace.

Concluding chapters give suggestions for meditating on the Rule and for its use as an aid to discernment and spiritual growth for prayer groups and parish life committees.
