The Hunter and the Animals Tomie dePaola

A wordless story told in stunning images

This story has no words—but it doesn't need them. Tomie dePaola's beautiful illustrations evoke the style of Hungarian folk art as each page paints the story of a hunter who comes to the forest. When he can't find any animals, the discouraged hunter falls asleep. While he's sleeping, the animals play a trick on him! Look closely—many animals are hiding in the pictures.

This is a fixed-format ebook, which preserves the design and layout of the original print book.
