The Markhat Files (9 Book Series) Frank Tuttle

From Book 1:

A troll's missing head could cause Markhat to lose his own.

A *Markhat* story.

All the finder Markhat wanted was a beer at Eddie's. Instead he gets a case that will bring him face to fang with crazed, blood-craving halfdead, a trio of vengeful Troll warriors, and Mama Hog's backstreet magic. Plus, the possible resurgence of the Troll War.

All right in his own none-too-quiet neighborhood.

Through the town of Rannit's narrow alleys and mean streets, Markhat tries to stay one step ahead of disaster. And ignore Mama Hog's dire warnings that this time, the head that rolls could be his own.

This book has been previously published and has been revised and expanded from its original release.
