The World of Bede

Peter Hunter Blair

The World of Bede Peter Hunter Blair

An engaging and accessible introduction to the writings and intellectual development of the Venerable Bede (d.735), this book (originally published in 1970) is available again for the enjoyment of all those interested in the early medieval world. With an updated preface and supplementary bibliography by Michael Lapidge, the book is based almost entirely on primary sources, particularly Bede's own writings. The book surveys the fragmented state of Britain after the Anglo-Saxon conquests, tracing the - sometimes faltering - rebirth of Christianity from the time of St. Augustine through to the glories of the golden age of Northumbria in the eighth century. What was Bede's contribution to the growth of scholarship? Why is his famous Ecclesiastical History of the English Church and People still so highly regarded? How did Bede see his own age? What traditions most influenced him? Peter Hunter Blair answers all these questions, assessing Bede sympathetically in all the fields in which he was active, as teacher, orthographer, moral philosopher, grammarian, theologian, natural scientist and, above all, as our first modern historian.

From reader reviews:

Edith Ward:

Spent a free time for you to be fun activity to perform! A lot of people spent their leisure time with their family, or all their friends. Usually they undertaking activity like watching television, planning to beach, or picnic in the park. They actually doing ditto every week. Do you feel it? Would you like to something different to fill your own personal free time/ holiday? Could possibly be reading a book may be option to fill your no cost time/ holiday. The first thing you will ask may be what kinds of book that you should read. If you want to try look for book, may be the book untitled The World of Bede can be very good book to read. May be it could be best activity to you.

Gina Reiter:

People live in this new morning of lifestyle always try to and must have the extra time or they will get lot of stress from both day to day life and work. So , once we ask do people have free time, we will say absolutely without a doubt. People is human not really a huge robot. Then we ask again, what kind of activity do you have when the spare time coming to anyone of course your answer will probably unlimited right. Then do you ever try this one, reading books. It can be your alternative throughout spending your spare time, often the book you have read is The World of Bede.

Blair Gant:

Your reading 6th sense will not betray anyone, why because this The World of Bede book written by well-known writer whose to say well how to make book which can be understand by anyone who else read the book. Written inside good manner for you, leaking every ideas and producing skill only for eliminate your personal hunger then you still uncertainty The World of Bede as good book not just by the cover but also from the content. This is one reserve that can break don't evaluate book by its protect, so do you still needing an additional sixth sense to pick this kind of!? Oh come on your reading sixth sense already told you so why you have to listening to yet another sixth sense.

Janet Baltimore:

Is it anyone who having spare time then spend it whole day through watching television programs or just telling lies on the bed? Do you need something totally new? This The World of Bede can be the answer, oh how comes? A fresh book you know. You are so out of date, spending your time by reading in this fresh era is common not a nerd activity. So what these guides have than the others?
