Don't Make Love To Me Fuck Me Nicole Scott

"Four women, Geena, Justice, Tangeray, and Mahki embark on a journey for the ultimate sexual pleasure. After meeting Tyvid, a recently divorced freelance writer, they all decide that maybe it's time to stop being afraid of what others think and believe and act on their fantasies. These women are tired of the same routines; celibacy and/or dissatisfaction. These women do not want to make love. They want to be fucked and fucked really well."
