Presenting insights into how business experts become successful, this revelatory book applies NLP techniques that target behaviour, transforming you into an effective business player. Analysing the core components of successful game playing, this volume identifies: the name of each game the rules the cues the payoff. It then coaches you in 'playing' games for personal empowerment and winning. An essential guide for all game players seeking inspiration, "Games Business Experts Play" delivers all the winning moves. "The best book ever written about how to manage your behavior to succeed in business." - David Wilson MBA "Read this book. It will completely revolutionize your business." - Sean Kearney, Executive Director, AT&T Broadband.
