[Siren Menage Everlasting: Erotic Menage Romance, M/F/M/M/M, spanking, HEA] Lucia Monte is on the run from an old-fashioned arranged marriage and a sexual assault. She winds up in a town called Pearl, where compassion and honesty are a way of life, and protecting all women and children are priority. It's the holiday season, and she's never experienced anything so magical. Gabrielle, Lucifer, Salvatore, and Maxwell are brothers living in their parent's old house they renovated. They're just trying to survive when they each meet a new, young woman in town. With the help of Mary Higgins, their mom's best friend, they learn quickly that Lucia has the power to touch their hearts and make them heal from their pasts. But she's not exactly willing to submit to the rules of Pearl, and it takes an entire town, the magic of the holiday season, and the danger from her past, to finally make her realize that just one kiss can prove the power of love and that happiness awaits her in Pearl. ** A Siren Erotic Romance
