Laughter and Ridicule: Towards a Social Critique of Humour (Published in association with Theory, Culture & Society) Michael Billig

`From Thomas Hobbes' fear of the power of laughter to the compulsory, packaged fun" of the contemporary mass media, Billig takes the reader on a stimulating tour of the strange world of humour. Both a significant work of scholarship and a novel contribution to the understanding of the humourous, this is a seriously engaging book' - David Inglis, University of Aberdeen. This delightful book tackles the prevailing assumption that laughter and humour are inherently good. In developing a critique of humour the author proposes a social theory that places humour - in the form of ridicule - as central to social life. Billig argues that all cultures use ridicule as a disciplinary means to uphold norms of conduct and conventions of meaning. Historically, theories of humour reflect wider visions of politics, morality and aesthetics. For example, Bergson argued that humour contains an element of cruelty while Freud suggested that we deceive ourselves about the true nature of our laughter. Billig discusses these and other theories, while using the topic of humour to throw light on the perennial social problems of regulation, control and emancipation."

Lauren Miner:

As a college student exactly feel bored to be able to reading. If their teacher questioned them to go to the library or make summary for some book, they are complained. Just little students that has reading's internal or real their leisure activity. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that reading is not important, boring as well as can't see colorful photos on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we would like. Likewise word

says, many ways to reach Chinese's country. Therefore this *Laughter and Ridicule: Towards a Social Critique of Humour* (Published in association with *Theory, Culture & Society*) can make you sense more interested to read.
