Sexo sabio: Cómo mantener el interés sexual en la pareja estable (Spanish Edition) Antoni Bolinches

Un valioso manual para reavivar el erotismo en la pareja, para hacer de la relación sexual un constante camino de descubrimiento.

La convivencia en pareja implica muchas dificultades, ya que en cuanto el vínculo amoroso se consolida empiezan a actuar los tres enemigos del amor: los celos, la rutina y la infidelidad. El problema que subyace a todos ellos es la pérdida del interés sexual.

Esta obra ofrece las claves para mantener la atracción por el objeto amoroso, para reavivar el erotismo en la pareja y para evitar que el deseo se convierta en una obligación y la sexualidad en el débito conyugal. Pretende establecer las pautas del sexo sabio, es decir, un sexo hecho para perdurar y seguir siendo gratificante, un sexo para quienes deseen convivir en amor sin consumir la pasión y para hacer de la relación sexual un camino de descubrimiento constante.
