## The Best of the Bellevue Literary Review

“A kaleidoscope of creativity . . . unsentimental and sometimes unpredictable.”—*Journal of the American Medical Association*

Founded just six years ago, *Bellevue Literary Review* is already widely recognized as a rare forum for emerging and celebrated writers—among them Julia Alvarez, Raphael Campo, Rick Moody, and Abraham Verghese—on issues of health and healing. Gathered here are poignant and prizewinning stories, essays, and poems, the voices of patients and those who care for them, which form the journal’s remarkable dialogue on “humanity and the human experience.”

**Danielle Ofri, MD**, author of *Incidental Findings* and *Singular Intimacies*, is the editor in chief of *Bellevue Literary Review*. She lives in New York City.
