The Core Business Web: A Guide to Key Information Resources Gary W White

The best Business Web sites at your fingertips—24/7!

The Core Business Web: A Guide to Key Information Resources is an essential resource that saves you from spending hours searching through thousands of Web sites for the business information you need. A distinguished panel of authors, all active in business librarianship, explores Web sites in their subject areas, selecting the very best from 25 functional areas of business. Each site was chosen based on the timeliness, relevance and reliability of its content, the site's ease of navigation and use, and the authority of the site's author or publisher.

The rapid growth of the Internet has resulted in an ever-increasing number of Web sites offering potentially useful business information. The Core Business Web identifies, evaluates, and summarizes the most significant sites, including gateways or portals, directories, and meta-sites, to organize online resources into easy-to-follow links that allow you to access information quickly. Sites are categorized and listed for 25 areas of business, including:

- banking—commercial banking, regulators, trade associations, international links
- business law—statutes, regulations, decisions, antitrust, corporations, international transactions, labor and employment, tax and taxation, uniform commercial code
- career information and salary surveys—labor statistics, job hunters, career planning
- e-commerce—e-business news, statistics, “how-to” sites, technology sites, business-to-business sites
- finance and investments—market analysis and commentary, market news, stock screeners, brokers
- hospitality and tourism—lodging and gaming, restaurant and foodservice
- small business and entrepreneurship—startup information, counseling, funding and venture capital, and sites for women and minority-owned businesses,
- and much more!
