## **NO SEX FOR 30 DAYS!**

### **30 days and counting...**

When serial monogamist Nick O'Malley bets his buddies he can remain woman-free for 30 days, he figures he'll suffer, but succeed. Then a few curves are thrown his way....

### **2 days and counting...**

One minute Nick's in his hotel room aching for the leggy blonde he left behind in the bar. The next, she's barging into his room--wearing nothing but a scrap of leather and thigh-high boots!

### **1 night and counting...**

Nick might have fought Serena off once, but when she shows up the next night hell-bent on getting him out of his pants, he figures he'll be kissing his \$500 goodbye. He'd almost think she had a hidden agenda--if he wasn't too busy fighting his lust. But he *has* to hold out, just for one more night. Even if it is the longest night of his life....
