YO Sushi: The Japanese Cookbook Kimiko Barber

YO! Sushi has transformed the concept of Japanese food and has created a revolutionary and unique dining experience. Conveyor belts filled with a rainbow of coloured plates carrying mouth-watering food prepared by chefs cooking in front of the diner have made sushi fun, funky and totally accessible.

YO! Sushi: The Japanese Cookbook brings YO!'s delicious Japanese dishes to the home and shows you how easy it is to make your own sushi and other Japanese fare. This eye-popping book includes YO!'s most popular dishes: california rolls, salmon maki, prawn yaki soba and chilled roasted aubergines. Original recipes encourage readers to expand their repertoire and enjoy a range of flavoursome dishes. Learn to cook soy-marinated chicken, make healthy salads such as beetroot with sweet vinegar and impress friends with red snapper rice.

Written by renowned Japanese food expert, Kimiko Barber, YO! Sushi: The Japanese Cookbook includes 120 delicious recipes. Forget complicated rolling or bizarrely named ingredients, Kimiko explains all the terms and shows how to make sushi rolls and other dishes through step-by-step photography. No recipe takes more than 30 minutes preparation or requires special cooking techniques. The book is divided into six colour-coded sections which reflect YO!'s famous coloured plates, taking the reader chapter by chapter from novice to samurai so that you can work your way up the rungs until you're rolling with gusto.

The book is fully illustrated in YO! Sushi's exuberant style: Crisp finished food photography, bright graphics, and atmospheric reportage shots bring the energy of the YO! experience to the reader.

Donald Murphy:

The publication with title YO Sushi: The Japanese Cookbook has lot of information that you can discover it. You can get a lot of benefit after read this book. That book exist new know-how the information that exist in this publication represented the condition of the world now. That is important to yo7u to be aware of how the improvement of the world. That book will bring you throughout new era of the syndication. You can read the e-book on your smart phone, so you can read the idea anywhere you want.

Kathy Fredette:

Many people spending their time frame by playing outside with friends, fun activity with family or just watching TV all day every day. You can have new activity to spend your whole day by reading through a book. Ugh, you think reading a book can really hard because you have to accept the book everywhere? It ok you can have the e-book, delivering everywhere you want in your Smartphone. Like YO Sushi: The Japanese Cookbook which is having the e-book version. So , why not try out this book? Let's notice.

Francisco Morgan:

As a pupil exactly feel bored in order to reading. If their teacher inquired them to go to the library or even make summary for some reserve, they are complained. Just small students that has reading's heart and soul or real their passion. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that studying is not important, boring along with can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this YO Sushi: The Japanese Cookbook can make you really feel more interested to read.
