Estoy verde: Dólar, una pasión argentina (Spanish Edition) Alejandro Bercovich, Alejandro Rebossio
Objeto de deseo, oasis de poder, instrumento de corrupción, llave maestra, amuleto, ídolo y tabú: para los argentinos, el dólar parece ser todo eso y mucho más. Obsesión patológica o sentido común, el interés por los "verdes" atraviesa la sociedad e invade la vida de todos sin distinguir edades, estudios, oficios o profesiones, riqueza o pobreza.

Alejandro Rebossio y Alejandro Bercovich se propusieron echar luz sobre ese fenómeno. Hurgaron en la historia del afán por los "verdes", que comienza antes de lo que muchos creen y que ha desatado más de una psicosis social. Estudiaron las operaciones económicas y los intereses que se esconden detrás de alzas y depreciaciones, fugas y pesificaciones. Investigaron las diversas formas, legales y no tanto, con las que ricos y famosos consiguen las divisas. Las cifras exorbitantes que algunos ganan y muchos perdemos.

En este libro circulan varios dólares, además del blue: el moreno, el aníbal, el soja, el tarjeta, el cable, el merca, el casino. Y también unos cuantos personajes que tienen lo suyo para contar: políticos, empresarios, funcionarios y ex funcionarios, economistas y psicoeconomistas, sociólogos, antropólogos, bancarios, "cueveros", "arbolitos", cambistas, financistas, falsificadores, turistas, abogados, proxenetas, inmigrantes, policías, narcotraficantes.
