Bradshaw's Railway Handbook Vol 1: London and its environs (Kent, Sussex, Hants, Dorset, Devon, the Channel Islands and the Isle of Wight) George Bradshaw

Bradshaw's Railway Handbook was originally published in 1866 under the title Bradshaw's Handbook for Tourists in Great Britain and Ireland. It appeared in four volumes as a comprehensive handbook for domestic tourists, offering a detailed view of English life in the Victorian age. Conway is proud to announce the reissue of the first volume of this series, which purportedly focuses on London and its environs - but actually deals with a broad swathe of English metropolitan, suburban and rural landscape (Kent, Sussex, Hants, Dorset, Devon, the Channel Islands and the Isle of Wight) full of fascinating period detail. Now available to a new generation of readers, it will appeal to railway, steam and transport enthusiasts, local historians, and anyone with an interest in British heritage, the Victorian period, or the nation's industrial past.
