Christian Believer Study Manual: Knowing God with Heart and Mind J. Ellsworth Kalas

The study manual guides daily reading in Scripture and in the Book of Readings. It encourages daily prayer while providing space for taking notes for use in weekly group discussion.

Each lesson includes an explanation and commentary on the doctrines being studied, raises questions for reader reflection and written response, and suggests ideas for additional reading and study.

The *Christian Believer* program focuses on classical teachings of the Christian faith—presenting, explaining, and interpreting them in a way that participants can understand, through the use of words, symbols, and hymns. Over a 30-week period, participants will examine the writings of ancient and modern Christian commentators and view video presentations by leading Bible scholars.
