In need of money, Gwynneth goes to the Kingdom of Zuran to sell the condominium her father left her before he passed away. But due to the constant real-estate frauds that occur in Zuran, she has trouble getting the papers to prove the condo is hers before selling it. To make matters worse, someone else has the key to her condo, and when he slips in one night, Gwynneth makes no effort to resist the mysterious stranger. Luckily, he restrains himself, but he isn't just any random man: it's Sheikh Tarik himself. They both seem to think the condo is theirs and are stuck with each other until the matter is resolved.
