Eli the Elephant J Durrell Padgitt

While traveling to another village, Eli is caught in a strong and terrifying storm. Disoriented and afraid, Eli begins to pray for God's help. When there's no answer, Eli pushes aside his anger and remembers the wisdom learned from his mother, that God always answers our prayers but in ways not always anticipated and at times not always expected. Eli the Elephant is an encouraging book for both children and parents about prayer and the patience we need while awaiting God's faithful response. His tender care of Eli was very sweet and the persistent follow-through on His plan to have Noah choose Eli for the ark was great (and it showed Noah being very obedient to God, even when it was not convenient or easy for him to do so). It gives parents many ways to discuss the story and the biblical truths with their little ones. I love when Noah hugged his trunk and was so excited to find him and get him into the ark. —Jennifer R., Dallas, Texas

From reader reviews:

Nathaniel Gonzalez:

What do you regarding book? It is not important along with you? Or just adding material when you want something to explain what the ones you have problem? How about your time? Or are you busy particular person? If you don't have spare time to complete others business, it is make one feel bored faster. And you have free time? What did you do? Everybody has many questions above. They need to answer that question since just their can do that. It said that about reserve. Book is familiar on every person. Yes, it is right. Because start from on kindergarten until university need this specific Eli the Elephant to read.

Myrtie Hammond:

Reading a book tends to be new life style on this era globalization. With reading through you can get a lot of information that could give you benefit in your life. Using book everyone in this world can certainly share their idea. Books can also inspire a lot of people. A lot of author can inspire their reader with their story or maybe their experience. Not only situation that share in the publications. But also they write about the information about something that you need case in point. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors on earth always try to improve their proficiency in writing, they also doing some exploration before they write for their book. One of them is this Eli the Elephant.

Audrey Stockman:

Your reading sixth sense will not betray an individual, why because this Eli the Elephant publication written by well-known writer we are excited for well how to make book that can be understand by anyone who also read the book. Written throughout good manner for you, dripping every ideas and producing skill only for eliminate your current hunger then you still hesitation Eli the Elephant as good book but not only by the cover but also by the content. This is one guide that can break don't judge book by its cover, so do you still needing an additional sixth sense to pick this!? Oh come on your studying sixth sense already alerted you so why you have to listening to an additional sixth sense.

Terrence Kimball:

Are you kind of stressful person, only have 10 or 15 minute in your day to upgrading your mind expertise or thinking skill even analytical thinking? Then you are receiving problem with the book when compared with can satisfy your small amount of time to read it because all of this time you only find book that need more time to be learn. Eli the Elephant can be your answer since it can be read by a person who have those short extra time problems.
