¿Es Usted un psicópata? (Spanish Edition)

Jon Ronson

¿Es Usted un psicópata? (Spanish Edition) Jon Ronson

Elegido Libro del Año 2011 por Amazon, Publisher's Weekly, Hudson Bookseller y Goodreads. Un grupo de neurólogos recibe un correo tan desconcertante que decide contactar con el periodista Jon Ronson: se trata de la historia de un preso que, supuestamente, fingió una enfermedad mental para obtener una sentencia más leve, pero que sigue ingresado en un penal psiquiátrico porque ningún médico cree que esté cuerdo. Ronson decide, entonces, ahondar un poco más en el tema y ver qué hay de cierto y qué de mera especulación en las diagnósis de locura que tan felizmente se prescriben en el mundo entero. Ronson tiene una suerte de epifanía cuando conoce a Robert Hare, un prestigioso psicólogo que desarrolló el test estándar que diagnostica la psicopatía. Jon aprende de Hare a descubrir a estos psicópatas y, armado con su nueva habilidad de cazador de locos, se adentra por los pasillos del poder y comienza a especular y a poner en tela de juicio la salud mental de amigos y conocidos para concluir que, o todos estamos un poco locos, o las definiciones sobre qué es locura deberían revisarse... «Jon Ronson nos relata, con el estilo irónico que lo caracteriza, una investigación sobre la locura..., unas veces intrigante, otras inquietante, y siempre absorbente.» The Bookseller («Booksellers' Choice») «Ronson nos divierte tanto como siempre, pero también aborda cuestiones importantes sobre cómo definimos la normalidad. Me encanta su habilidad para incitarnos a reflexionar sobre temas muy serios invitándonos a compartir su propia perplejidad.» The Bookseller
