## Out of Orange: A Memoir Cleary Wolters

The real-life Alex Vause from the critically acclaimed, top-rated Netflix show *Orange Is the New Black* tells her story in her own words for the first time—a powerful, surprising memoir about crime and punishment, friendship and marriage, and a life caught in the ruinous drug trade and beyond.

Fans nationwide have fallen in love with *Orange Is the New Black*, the critically acclaimed and wildly popular Netflix show based on Piper Kerman's sensational #1 *New York Times* bestseller. Now, Catherine Cleary Wolters—the inspiration for Alex Vause, Piper's ex-girlfriend, friend, and sometimes-romantic partner on the show—tells her true story, offering details and insights that fill in the blanks, set the record straight, and answer common fan questions.

An insightful, frustrating, heartbreakin, and uplifting analysis of crime and punishment in our times, *Out of Orange* is an intimate look at international drug crime—a seemingly glamorous lifestyle that dazzles unsuspecting young women and eventually leads them to the seedy world of prison. Told by a woman originally thrust into the spotlight without her permission—Wolters learned about Piper's memoir in the media—*Out of Orange* chronicles Wolter's time in the drug trade, her incarceration, her friendships and acquaintances with odd cellmates, her two marriages, and her complicated relationship with Piper. But Wolters is not solely defined by her past; she also reflects on her life and the person she is today.

Filled with colorful characters, fascinating tales, painful sobering lessons, and hard-earned wisdom, *Out of Orange* is sure to be provocative, entertaining, and ultimately inspiring.
