Still looking for the program, book, or sermon series that will turn your church around?  
What if the answer to revitalizing your church is . . . you?

In a time when many pastors are jumping from church to church every few years as they search for the "right fit," churches are suffering from a lack of sustained leadership from pastors with a viable vision for ministry. Packed with field-tested advice, self-diagnostic tools, and surveys, *Re:Vision* takes you through a process designed to help you re-envision your role, create a culture for positive change, and recruit people to come alongside you as helpers and encouragers.

"*Re:Vision* serves as both a road map and a reminder for denominations, judicatories, networks, associations, and churches alike who are looking to reverse their decline and set out on a journey to revitalization."--**Thom S. Rainer**, president and CEO of LifeWay Christian Resources; author of *Autopsy of a Deceased Church*

"This book is a great addition to the church revitalization conversation. I will be recommending *Re:Vision* to the pastors in all of my coaching networks."--**Nelson Searcy**, lead pastor of The Journey Church; founder of [www.ChurchLeaderInsights.com](http://www.ChurchLeaderInsights.com)

"A fresh look at what it takes to restore churches from death to life, sickness to health, and decline to growth, based on the most up-to-date study of the characteristics of turnaround pastors. I believe it is destined to be the go-to resource for years to come."--**Gary L. McIntosh**, coauthor of *What Every Pastor Should Know*; professor, Talbot School of Theology, Biola University

"Read this book. Then read it again. Then buy ten more for your pastor friends. *Re:Vision* is an epic work. You'll be so glad you read it."--**Derwin L. Gray**, lead pastor of Transformation Church; author of *Limitless Life*

**Aubrey Malphurs** (PhD, Dallas Theological Seminary) is the senior professor of leadership and pastoral ministry at Dallas Theological Seminary and founder of the Malphurs Group.
