Medina Carla

Soñando despierta (Spanish Edition) Medina Carla

Un libro espectacular que cautivará la mente y los corazones de cualquier joven, encontrando así su camino hacia la amistad, el amor y el aprecio por la vida.

Un accidente dejó por semanas a Carla Medina en cama. Con el tiempo que tuvo, empezó a soñar despierta; su mente se llenó de princesas, de príncipes, de castillos y hadas, de espíritus malignos y atemorizantes y, sobre todo, de amor y de sueños. Carla unió todos esos sueños y elaboró una historia de amor, valores humanos, lealtad, solidaridad con el dolor y amistad cuyo objetivo es demostrar que, con la fuerza del amor, todo es posible.

Un encuentro fortuito e inesperado despierta en dos personas completamente diferentes los más profundos sentimientos; un par de miradas bastan para unir dos corazones. Sin saberlo, estos dos jóvenes han unido sus vidas de las maneras más intensas y ahora el destino no les permitirá tomar caminos diferentes. La muerte, los accidentes, la lejanía, las mentiras y los secretos más oscuros se atraviesan en las vidas de Leila y Darío; vidas que, sin saber, comparten en demasiados niveles.

Carla creó no sólo dos personaje entrañables unidos por una gran historia de amor pero además, los visualizó y los situó en un mundo único. El libro está plagado de imágenes artísticas y llamativas que nos colorean a Leila y a Darío así como a sus seres queridos, sus lugares preferidos, sus miedos y sus grandes valores como personas.
