## From Constantine to Julian: Pagan and Byzantine Views: A Source History

*From Constantine to Julian* provides students with important source material, covering an age of major transition in Europe; an age which saw the establishment of Rome as a Christian Empire and a period of recidivism under Julian.

Texts included are the anonymous *Origo Constantini*<sup>^</sup>; *Eumenius, Panegyric of 310*; Byzantine life of Constantine; Libanius, *oration 59*; and the *Passion of Artemius*. Most of this material has not previously been translated into English: students will now have direct access to the most important sources for the period which is studied on courses in classical antiquity, early medieval Europe and ecclesiastical history.
