**Hasidic Tales: Annotated & Explained (SkyLight Illuminations)** Rabbi Rami Shapiro

The Tales of the Hasidic Masters Can Become a Companion for Your Own Spiritual Journey.

"The wisdom of the Hasidim is earthy, realistic, rooted in the simplicity of the heart. It is alive with the awareness of the holiness of Creation and the boundlessness of God's mercy, and is utterly honest about the necessity of living such awareness in loving service to all beings. It is a wisdom that fuses the highest mystical initiations with the most down-home celebration of life and a rugged commitment to social and political justice in all its forms. In other words, it is a wisdom that is never, as my old prep school headmaster would put it, "too divine to be of any earthly use."

—from the Foreword by Andrew Harvey

Martin Buber, author of Tales of Hasidim, was the first to bring the Hasidic tales to life for modern readers in the middle of the twentieth century. His groundbreaking work was the first time that most readers had ever encountered the lives and teachings of these profound and enigmatic spiritual masters from Eastern Europe. In Hasidic Tales: Annotated & Explained, Rabbi Rami Shapiro breathes new life into these classic stories of people who so marvelously combined the mystical and the ordinary. Each demonstrates the spiritual power of unabashed joy, offers lessons for leading a holy life, and reminds you that the Divine can be found in the everyday. Without an expert guide, the allegorical quality of Hasidic Tales can be perplexing. But Shapiro presents them as stories rather than parables, making them accessible and meaningful. Now you can experience the wisdom of Hasidism firsthand even if you have no previous knowledge of Jewish spirituality. This SkyLight Illuminations edition offers insightful yet unobtrusive commentary that explains theological concepts, introduces major characters, offers clarifying references unfamiliar to most readers, and reveals how you can use the Hasidic tales to further your own spiritual awakening.

**Stephen Redmond:**

As a scholar exactly feel bored to help reading. If their teacher inquired them to go to the library or to make summary for some book, they are complained. Just very little students that has reading's soul or real their hobby. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that studying is not important, boring and also can't see colorful pics on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Hasidic Tales: Annotated & Explained (SkyLight Illuminations) can make you experience more interested to read.
