Julia Quinn

Más brillante que el sol (Titania época) (Spanish Edition) Julia Quinn

Menos de dos semanas. Ese es el tiempo con el que cuenta Charles Wycombe, conde de Billington, para contraer matrimonio si no quiere perder su herencia. Hasta el momento, su búsqueda ha sido un desfile de candidatas descerebradas con las que ni siquiera sería capaz de pasar un par de horas. Justo en el momento en que sus esperanzas empiezan a desvanecerse, la casualidad le brinda a Ellie, una inteligente joven cuya única opción para escapar del hogar familiar también pasa por el altar. La solución parece clara... una unión de conveniencia. Pero Ellie nunca ha imaginado casarse con un extraño, así que fija una condición: el matrimonio no se consumará hasta que no conozca mejor al hombre que se oculta tras ese bello rostro. Con un beso que lleva a otro, ambos descubrirán que su matrimonio, al final, no es tan inconveniente como parecía y que tal vez, simplemente, les lleve a conocer el amor verdadero.

Julia Quinn, una de las autoras y premiadas dentro del género romántico, brinda a sus lectores una nueva aventura dentro del periodo de la regencia inglesa.

"Inteligente y divertida." *New York Times*
