Louisa May Alcott

Sirenitas (Los libros de pan) (Spanish Edition) Louisa May Alcott

Tritones; ondinas y nereidas y demás criaturas del mar son los protagonistas de esta deliciosa selección de cuentos fantásticos de la gran escritora norteamericana, Louisa May Alcott, célebre por su novela *Mujercitas*. Una niña que quiere ser sirena, una sirena que quiere ser niña, y niñas confundidas con sirenas, protagonizan “Ariel”, “Sirenitas”, “Rizo, la ninfa del mar”, y “La amiguita de Fancy”, cuentos donde se reclama por un lado la importancia de la imaginación, y por otro, la de la realidad más práctica. Casi todos ellos comparten elementos de un mismo escenario —la isla y el faro, el hotel y las villas playeras—, probablemente inspirados en Nonquitt, el retiro veraniego de Alcott en la costa de Nueva Inglaterra. También encontramos aquí la única historia fantástica de Alcott que trata el tema de los prejuicios raciales, tan importante en su vida, o sátiras sobre sus propios dramas escritos para adultos.

Si bien Louisa May Alcott es conocida por su realismo moralizante, especialmente en sus novelas *Mujercitas* y *Hombrecitos*, en este volumen ofrecemos, por primera vez en español, y mediante la selección y traducción de Óscar Mariscal, una buena muestra de la otra cara de esta afamada escritora, pionera y magistral autora de cuentos de hadas, góticos y fantásticos.

«Escribió los mejores libros para llegar al corazón de jóvenes de cualquier edad, desde los seis a los sesenta.»

Eclectic Magazine

“Ningún chico al que no hubiera ganado en una carrera, ninguna chica que se negase a trepar a los árboles, podía ser amigo mío.”
