Scott Foust:

As a university student exactly feel bored to help reading. If their teacher inquired them to go to the library in order to make summary for some book, they are complained. Just very little students that has reading's internal or real their passion. They just do what the teacher want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that studying is not important, boring in addition to can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for yourself.
