Bhakti and Philosophy

R. Raj Singh

Bhakti and Philosophy R. Raj Singh

Bhakti is a remarkable feature and tendency of human existence having to do with one's devoted involvement with a person, object, deity, or creative project. In *Bhakti and Philosophy*, R. Raj Singh traces the larger meanings and roles of bhakti as it historically emerged in some of the well-known thought systems of India, such as Vedanta and Buddhism, with a special focus on the seminal texts such as the Vedas, Upanishads, the Bhagvadgita, the Bhakti sutras and the Buddhist sutras. The book specifically outlines the connection between bhakti and philosophy, a connection hitherto missed in most studies on bhakti, which happen to focus on the religious dimension as opposed to the secular and existential meanings of this pivotal tendency. The value of this work lies not only in its substantive contribution to philosophy and religious studies, but also in advancing our understanding of bhakti as a universal tendency and a vital component in resolving the ever-enigmatic philosophical problem stated in the simple question 'what is love?'

From reader reviews:

Edward Baca:

In other case, little people like to read book Bhakti and Philosophy. You can choose the best book if you appreciate reading a book. So long as we know about how is important the book Bhakti and Philosophy. You can add information and of course you can around the world by way of a book. Absolutely right, because from book you can know everything! From your country till foreign or abroad you will find yourself known. About simple issue until wonderful thing you can know that. In this era, we could open a book or even searching by internet unit. It is called e-book. You should use it when you feel bored to go to the library. Let's learn.

Michelle Seidl:

Book is actually written, printed, or created for everything. You can learn everything you want by a publication. Book has a different type. As it is known to us that book is important thing to bring us around the world. Beside that you can your reading proficiency was fluently. A publication Bhakti and Philosophy will make you to always be smarter. You can feel considerably more confidence if you can know about everything. But some of you think this open or reading some sort of book make you bored. It is not make you fun. Why they can be thought like that? Have you looking for best book or suitable book with you?

Dennis Jenkins:

As people who live in the particular modest era should be change about what going on or facts even knowledge to make all of them keep up with the era which can be always change and progress. Some of you maybe will update themselves by examining books. It is a good choice in your case but the problems coming to anyone is you don't know which you should start with. This Bhakti and Philosophy is our recommendation to help you keep up with the world. Why, because book serves what you want and want in this era.

David Myers:

That e-book can make you to feel relax. That book Bhakti and Philosophy was vibrant and of course has pictures on the website. As we know that book Bhakti and Philosophy has many kinds or category. Start from kids until teenagers. For example Naruto or Investigation company Conan you can read and think you are the character on there. Therefore not at all of book usually are make you bored, any it offers you feel happy, fun and chill out. Try to choose the best book for you personally and try to like reading that will.
