"Known for her charming beach reads." --*Kirkus Reviews*

Relationship Status: Complicated

Professional baseball player Halo Todd doesn't like failure, but he can never turn down a challenge. Especially when there's a pretty woman involved. How else would he end up dressed as a rooster, helping a complete stranger compete on a wacky game show? Even when they're eliminated after the first round, Halo isn't about to lose the girl...

Alyn is stunned when gorgeous, generous Halo whisks her off for a dream vacation to the beach--she's been let down by friends and even family so many times, she's lost count. Later, he offers to lend a hand getting her vintage shop up and running. But his constant--and ridiculous--purchases are the last thing she needs. How can she convince the stubborn man that she doesn't need his help--not when all she wants is his heart...
