## **Pecos Valley Rainbow (Five Star Mystery Series) Alice Duncan**

Flooding is not uncommon in Rosedale, New Mexico, in 1923, but Annabelle Blue has never found a corpse floating in the floodwaters before . . . As if discovering the body of the murdered president of the Rosedale Farmer's and Rancher's Bank isn't bad enough, Annabelle is further dismayed when her brother-in-law Richard falls under suspicion. Since Annabelle has no faith in the local police, she sets out to discover who the true murderer is, dragging her long-suffering boyfriend, Phil Gunderson, along with her. Pecos Valley Rainbow is a lighthearted look at a vivacious girl living in (and feeling stifled by) a tiny town in the middle of nowhere, USA, in the early part of the twentieth century.
