Secrets of the Fog Jaye Shields

When the dryad Tera's friends inform her that the portal on Alcatraz Island is buzzing with an arrival, she thinks her goddess mother has come to visit. When Tera arrives at the portal to welcome her, she doesn't find her mother, she finds a gigantic otherworldly warrior causing mass destruction among the San Francisco tourists. Being a forest dryad born from the Goddess of the Hunt has its perks, and kicking ass is one of them.

Sabin is six-feet-six of hard-bodied soldier, used to subduing demons twice his size. One day after chasing an elusive smoke demon through a portal into the human realm, Sabin is brought to his knees by a beautiful woman, literally. After arriving at a pier full of dead bodies, Tera issues a passionate smack-down before Sabin can explain that he's the good guy.

He's just in time: as an ancient grudge has come to life. Eris, the Goddess of Chaos, has held a bitter hatred for Tera's mother, Artemis, for over 400 years - and now she's ready to destroy all dryads - including Tera.

This is a new release of a previously published edition.
