When *The Idler's Glossary* was released in October 2008 the world was on the cusp of experiencing its greatest economic collapse since the Great Depression. Depending on your sense of irony, this was either foolhardy or prescient. *The Wage Slave's Glossary*, a second volume of anti-economic etymology, comes as we climb out of recession, and continues to explore and challenge the interconnected world of work and leisure and labor and how the language we use continues to keep us in chains.
