**The path to happiness is littered with ex-boyfriends, confusing career choices, and lingering insecurities for an ambitious young woman in this touching, romantic debut.**

**The path to happiness is littered with ex-boyfriends, confusing career choices, and lingering insecurities for an ambitious young woman in this touching, romantic debut.**

Before leaving for London on an ill-fated business trip, Jules Sinclair had the kind of argument with her beau Marcus where many terrible things were said. Some were said only to hurt the other person, others were heat-of-the-moment slips of the tongue that could never be taken back. All were guaranteed relationship enders. Now that she has arrived back in L.A. and is headed toward the home she shares with Marcus in Beverly Hills, the only thing London has cleared up for Jules is that she does not want out of the relationship. But how does she get back in? Even if she knew the magic words to repair all of the harm, will Marcus even be there to hear them when she puts her key in the door?

It's the perfect storm that only Jules could have created for herself. Maybe in figuring out how she got into this mess, she can save whatever is left of her future with Marcus.

Filled with tender moments and strong, relatable characters, *Waiting for Jules* is a charming tale about the necessity of mending the past while on the road to happily ever after.

### **From reader reviews:**

#### **Darius Cramer:**

As people who live in typically the modest era should be revise about what going on or information even knowledge to make these people keep up with the era and that is always change and move ahead. Some of you maybe can update themselves by reading books. It is a good choice in your case but the problems coming to you is you don't know what type you should start with. This Waiting for Jules: A Novel is our recommendation to help you keep up with the world. Why, as this book serves what you want and need in this era.

#### **Jennifer Pittman:**

Exactly why? Because this Waiting for Jules: A Novel is an unordinary book that the inside of the book waiting for you to snap it but latter it will zap you with the secret the item inside. Reading this book close to it was fantastic author who have write the book in such amazing way makes the content inside easier to understand, entertaining method but still convey the meaning fully. So , it is good for you for not hesitating having this any longer or you going to regret it. This amazing book will give you a lot of rewards than the other book include such as help improving your proficiency and your critical thinking way. So , still want to delay having that book? If I were you I will go to the reserve store hurriedly.

#### **Dorothy Cropper:**

With this era which is the greater person or who has ability in doing something more are more valuable than other. Do you want to become among it? It is just simple approach to have that. What you must do is just spending your time very little but quite enough to get a look at some books. One of several books in the top listing in your reading list is actually Waiting for Jules: A Novel. This book that is certainly qualified as The Hungry Slopes can get you closer in turning out to be precious person. By looking up and review this book you can get many advantages.

#### **Anthony Lainez:**

As a scholar exactly feel bored in order to reading. If their teacher inquired them to go to the library or even make summary for some book, they are complained. Just tiny students that has reading's heart or real their hobby. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that looking at is not important, boring as well as can't see colorful photos on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Waiting for Jules: A Novel can make you truly feel more interested to read.
