My Life Was This Big: And Other True Fishing Tales Lefty Kreh

Lefty Kreh takes his readers on an angling journey through the last half-century, when water was big and fishermen were bigger (maybe). But, despite all that's changed since the fifties, when Lefty began his career as a professional fly fisherman and writer, fishing is still just fishing. In *My Life Was This Big*, he relates tales of fishing expeditions with Fidel Castro and Ernest Hemingway, as well as solo battles with some of the scrappiest, most elusive fish in the world. Lefty also takes the reader through the development of his world-famous "Deceiver" fly style, and takes on the issue of conservation through catch-and-release.

This is a glimpse into the heart and soul of Lefty Kreh—a man who has written for nearly every outdoor magazine in the U.S.; a man who has fished some of the remotest parts of the globe; and a man whose books and articles have taught thousands of people his techniques for hooking and landing more fish. For fans both young and old, these are Lefty's stories.
