“A friend of mine gave this book to her son who could not seem to even get interested in reading the Bible . . . Once he started to read 911 Handbook, he could not put it down. He found real practical answers to his problems. He began to grow for the first time in his spiritual life. He died tragically, shortly after he read this book. At the funeral service his mother gave the Lord credit for saving her son! Give it as a gift to those who struggle with their faith.”—Customer review
