An Historical Introduction to the European Union

Philip Thody

An Historical Introduction to the European Union Philip Thody

An Historical Introduction to the European Union is a chronological political history of European integration from the 1950s to the present. It also includes a contextualising survey of wider European history since the 1600s, and places unification against a background of world politics.

This clearly written introduction to the essential history, economics and politics of the European Union assumes no prior knowledge. It offers a detailed account of the Union with sections on:

- * how the Union works
- * basic principles of the Union
- * arguments over contested practices, including agriculture
- * issues of the cold war, enlargement, and the role of the United States
- * language
- * single European currency

With an annotated bibliography, chronology and guide to the institutions of the European Union, *An Historical Introduction to the European Union* incorporates the most recent research and detailed treatment of the policies of the European Union.
