When a Caster breaks Caster law and keeps a secret about a part of who they are so closely that they'd want to kill anyone who let it, that Caster's power is withheld within them by natural means until the day it gets out. Sam is having that problem and struggles with the thought of the repercussions every day of his life. Only two know, his best friends, Casey and Vanessa.

While everyone else studies to hone their Casting-Abilities at Aries High School, Sam plays it off with Casey's help and shows his proficient skills in basketball and martial arts. His willingness to sacrifice his powers in order to be seen the same as everyone else is unknown by everyone else.

What is the secret Sam keeps so close to his heart, you ask?

Well, Sam isn't one hundred percent attracted to the female gender... but he doesn't know how anyone would react to his homo-flexibility.

That is until everything changes when he's betrayed by the least suspected person.
