Dimitri would like nothing more than to live a low-key life in Naples, Italy. His girlfriend, Syd, has other plans. After three months of researching, she is positive she has found a jinn on a killing spree in San Diego, California. Since Syd gave Dimitri the one thing he thought was out of reach, he feels obligated to use his ill-gained talents for her cause.

A few hours back in the US proves that Dimitri and Syd didn't quite make the clean escape they had thought. As they trail the elusive jinn, someone else trails them. What should have been a simple trip to confirm once and for all if the jinn are living among humans, instead reveals a community keeping dark secrets.

Unfortunately for Dim, the only way out is in.
