A proven system for creating a clear and compelling business growth plan

There are 15 million businesses in the United States, and 13 million of them don't utilize a planning process. Yet having a planning process is the most reliable predictor of whether a business will grow.

*The One Hour Plan for Growth* provides a proven system for any business to create a clear and compelling business growth plan that fits on a single sheet of paper in about one hour. This book is a quick read, and you and your people stay energized and focused on your top priorities.

- Covers the six essential elements of the dynamic business growth plan: Vision, Mission, Values, Objectives, Strategies, and Priorities
- Previously the top-rated speaker for Stephen Covey's organization, the author is now a successful speaker and consultant with some of the world's finest small and mid-sized companies

The book delivers a proven planning process that engages employees, develops leadership capacity, improves performance, and accelerates growth.
