Piper and her mother take on another new adventure in the second book of the brand-new Piper Morgan series.

After saying good-bye to her circus friends, Piper Morgan and her mom are on the move again, this time returning to mom's hometown and to Piper's beloved grandmother's house after Piper's mom takes a job in the local elementary school principal's office. Piper is excited for a new school and new friends—and is thrilled when she is made an "office helper." But there is one girl who seems determined to prove she is a better helper than Piper—and she just so happens to be the principal's daughter. Can Piper figure out how to handle being the new girl in town once more?
