'O.M.F.G.' Part Four (of Four): 'Revelations'

It's the final part of 'O.M.F.G.'! How will the team - and the world - react to Issue 6's senses-shattering revelation? Can the team escape Les Girlz? We're not telling you, but we will say that not everyone will survive the issue...

Plus a free 'Spandex Black & White' mini-gallery, featuring renditions of the team by a multitude of indie talent!

Geek Syndicate: 'The best indie comic of the year by far and one of the best comic books in general.'

Broken Frontier: 'If Marvel and DC were still publishing comics as good as this then I wouldn't have largely walked away from their output.'

9 out of 10 on the Starburst Magazine website:

'Spandex is one of the best original superhero comics in years. More than that, it's actually better than a lot of the stuff the Big Two is putting out at the moment.'

- Nominated for the Best British Colour Comic Book Eagle Award
