A sacola perdida (Coleção Sonho Verde) (Portuguese Edition) Ricardo Lísias

Um escritor, uma sacola de frutas perdida e quatro crianças compõem uma história que mudará a vida dos moradores de um prédio. Afonso, Carina, Caio e Joana são vizinhos e estudam juntos. A turminha começa a perceber que muito mais do que viver em comunidade, a convivência com os outros não é tão fácil.

Um apagão leva às crianças a uma série de acontecimentos marcados pela consciência social e melhoria na qualidade de vida em grupo. Na escuridão, o mistério de uma sacola esquecida na escada faz com que os quatro desvendem um mistério que irá se transformar em várias melhorias no prédio como: a economia de água e energia, além da reciclagem. A sacola perdida é uma aventura por um mundo melhor.
