**Agility can be murder for cats, dogs, and people!**

Animal photographer Janet MacPhail is training for her cat Leo's first feline agility trial when she gets a frantic call about a "kidnapping." When Janet and her Australian Shepherd Jay set out to track down the missing party, they quickly find themselves drawn into the volatile politics of feral cat colonies and endangered wetlands.

Janet is crazy busy trying to keep up with her mom's nursing-home romance, her own relationship with Tom, and upcoming agility trials with Jay and Leo. But the discovery of a body on the canine competition course stops the participants dead in their tracks—and sets Janet on the trail of a killer.
