Jean Jacques Rousseau

Ensayo sobre el origen de las lenguas (70 Aniversario Fce) (Spanish Edition) Jean Jacques Rousseau

Si este ensayo es una premonición de algunos de los derroteros de la lingüística actual y de la neorretórica francesa, también admite ser leído como uno de los textos pioneros de la relativización de las ideas y las creencias; un proyecto de etnología, un esbozo de historia de la evolución del lenguaje que es también una historia de la humanidad. La idea que el autor tiene de la lengua escrita en contraposición a la hablada remite a una concepción y a un tratamiento alternativos del lenguaje: a veces como código, a veces como flujo. Es, en definitiva, una obra que la discusión contemporánea precisa como uno de sus lugares obligados.
