If you fit this description and you have been thinking about opening your own bookkeeping business, we have a book that will guide you through the process with ease, showing you how to operate with little start-up costs and in a minimal amount time.

Whether you will be operating out of your home or you are looking to buy or rent office space, this book can help you with a wealth of start-up information, from how to form and name your business to deciding if this will be a joint venture or if you would rather work solo. Valuable information on forming a Partnership, LLC, Corporation, or becoming a Sole Proprietor, the four types of business formations, is included, and also the legal implications of each.

A special chapter on using QuickBooks™ will be included, alongside several chapters on keeping journals, counting sales, and the importance of accuracy in bookkeeping.
