Lima Antigua 1: Tipos de antaño (Spanish Edition) Anónimo

La venta ambulante en Lima está unida íntimamente a la historia de la ciudad. Los tipos de antaño agrupados en este libro de finales del siglo XIX –bellamente ilustrado con grabados que muchas veces dicen tanto como las descripciones- dan cuenta de una serie de personajes y oficios antiguos que nos proponen imaginar cómo era la vida cotidiana entonces en la capital peruana.

Este libro fue editado por Carlos Prince en 1890. Si bien los textos no vienen firmados, podemos deducir que fueron escritor por el editor.

La edición digital que les ofrecemos es un facsímil electrónico que permite apreciar al detalle las características del original, tanto la tipografía como los grabados. Los otros dos libros de esta serie de tres que hemos editado son: Lima Antigua 2. Fiestas religiosas y profanas y Lima Antigua 3. La limeña y otros tipos de antaño
