Master the SAT (Peterson's Master the SAT (Book only)) Petersons

Master the SAT is the first SAT book for parents and students, complete with subject and strategy review to help students score higher and information and advice for parents on college admission testing and college financing. For students, Master the SAT has comprehensive materials to teach, review, and test all the subjects on the SAT, including essay writing and higher math. Also included are 6 full-length SAT practice tests, with comprehensive explanations for all questions. User-friendly design with bulleted roadmaps and chapter summaries help students move through the book based on their own needs and time constraints. For parents, a 24-page Parent's Guide to College Admission Testing--found in no other SAT book--provides advice on subjects such as which tests your child should take, how to motivate your child, and what role parents should play in the testing process. It also includes guidance on the best college financing solutions, from financial aid and federal scholarships to tuition payment plans.
