The Storm

Frederick Buechner

The Storm Frederick Buechner

The *Boston Globe* calls Frederick Buechner "one of our finest writers." *USA Today* says he's "one of our most original storytellers." Now this acclaimed author gives us his most beguiling novel yet--a magical tale of love, betrayal, and redemption inspired by Shakespeare's *The Tempest*.

On wealthy Plantation Island in South Florida, an old man waits, Kenzie Maxwell is a writer, a raconteur, a rascal, an altruist, a mystic--a charismatic figure who enjoys life with his rich third wife but muses daily on the sins of his past. Two decades ago, Kenzie had to leave New York because of a scandal. He'd been a volunteer at a runaway shelter, and he'd fallen in love with a seventeen-year-old girl--a girl who died while giving birth to Kenzie's daughter. His older brother, Dalton, a lawyer and board member at the shelter, decided to quell the rumors by releasing Kenzie's note of apology to the press. Kenzie's reputation--and the girl's--were destroyed. He has never forgiven his brother.

Now it's the eve of Kenzie's seventieth birthday, and a storm is brewing. His beloved daughter, Bree--the child of the scandal--is coming down from New York for his birthday party. But his brother Dalton is coming down, too, to do some legal work for the island's ill-tempered matriarch. Aided and abetted by Dalton's happy-go-lucky stepson, a loutish gardener, a New Age windsurfer, a bumbling bishop, and a bona fide tempest, Kenzie must somehow contrive to reconcile with his brother--and make peace with his past.

Infused with humanity, and informed by faith. *The Storm* is Frederick Buechner's most captivating novel since *Godric*--a richly satisfying contemporary story of fragmented families and love's many mysteries that will move you, make you laugh, and fill you with wonder.

From reader reviews:

Patricia Henderson:

In this 21st hundred years, people become competitive in every single way. By being competitive now, people have do something to make them survives, being in the middle of the particular crowded place and notice simply by surrounding. One thing that sometimes many people have underestimated the idea for a while is reading. Yes, by reading a guide your ability to survive increase then having chance to stand than other is high. To suit your needs who want to start reading some sort of book, we give you this kind of The Storm book as beginner and daily reading e-book. Why, because this book is greater than just a book.

Dexter Forsyth:

Playing with family in a park, coming to see the marine world or hanging out with pals is thing that usually you will have done when you have spare time, subsequently why you don't try point that really opposite from that. One particular activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition associated with. Even you love The Storm, you are able to enjoy both. It is good combination right, you still want to miss it? What kind of hang type is it? Oh can occur its mind hangout men. What? Still don't buy it, oh come on its referred to as reading friends.

Hubert Wooten:

Reading a book for being new life style in this calendar year; every people loves to study a book. When you study a book you can get a great deal of benefit. When you read publications, you can improve your knowledge, due to the fact book has a lot of information onto it. The information that you will get depend on what kinds of book that you have read. If you need to get information about your research, you can read education books, but if you want to entertain yourself you are able to a fiction books, this kind of us novel, comics, and soon. The The Storm will give you a new experience in looking at a book.

James Rouse:

Some individuals said that they feel fed up when they reading a book. They are directly felt the item when they get a half portions of the book. You can choose typically the book The Storm to make your own personal reading is interesting. Your own personal skill of reading ability is developing when you like reading. Try to choose basic book to make you enjoy you just read it and mingle the idea about book and studying especially. It is to be first opinion for you to like to available a book and go through it. Beside that the reserve The Storm can to be your brand-new friend when you're feel alone and confuse with what must you're doing of their time.
